

Kerrville Public Utility Board Customers Come Out in Full Support of “Tree Power” and “Keep the Giving Going”

KERRVILLE, TX – April 19, 2011- The “Tree Power” and “Keep the Giving Going” Program on Saturday, April 16th was a huge success! [Kerrville Public Utility Board](#) (KPUB) employee volunteers arrived at KPUB at 6:30am to an already long line of customers eager to pick up their free tree and drop off canned goods. The gate was opened at 7:00am and the last tree left by 9:30am.

Over 2,000 pounds of canned goods and non-perishable food donations were received, beating last year’s total of 1,600 pounds. Generous KPUB customers also donated \$130.00. The donated food and monetary contributions will be sent to local area charities and food pantries. “We are so thankful to our customers and pleased with the community’s turn-out this year. KPUB customers are truly generous in their support of Kerrville’s great charitable organizations,” said Mark Nelson, Customer Service Manager. “This program is great for our community, and we hope to see it grow to even greater heights in the years to come.”

About KPUB

Kerrville Public Utility Board was acquired by the City of Kerrville in 1987. KPUB serves approximately 21,000 customers throughout its 146 square mile service area including Kerrville, Center Point, Ingram, Hunt and surrounding areas in Kerr County. KPUB is overseen by a five member Board of Trustees who serve without compensation and who are responsible to the City of Kerrville for the management and control of the system. KPUB is a responsive and efficient locally owned provider of reliable, high-quality utility service at the lowest responsible price.
