

# Window Replacement Rebate

KPUB is continuing its Window Replacement Energy Efficiency Program. It is a Rebate/Incentive program that provides funds directly to KPUB customers who install new energy efficient replacement windows.

A rebate will be paid directly to the KPUB customer upon completion of energy efficient window installation, application, and verification.

- **Residential customers, Commercial customers and Landlords are eligible**
- **\$2.00 per square foot of window opening**
- **Limit one rebate per customer, property owner, or business with a maximum of \$500.00**

[Applications](#) will be accepted for window installations between October 1, 2017 and September 30, 2018. Applications can be picked up at the KPUB office at 2250 Memorial Blvd. and are also available online at [www.kpub.com](http://www.kpub.com). Completed applications must be submitted to KPUB, along with all accompanying documentation, no later than October 31, 2018.

## **Rebate Requirements:**

- Must be a current KPUB customer (residential or commercial).
- Windows must be new and installed per manufacturers installation requirements.
- Windows must have a U-Factor of  $\leq 0.35$ .
- Windows must have a Solar Heat Gain Co-efficient (SHGC) of  $\leq 0.25$ .
- Windows must be National Fenestration Rating Council (NFRC) rated.
- Windows must be installed in a conditioned area only. Garages and other non-living areas do not qualify.
- Invoices must include the following information: Window manufacturer, model, size, U-Factor and Solar Heat Gain Co-efficient (SHGC) **for each window installed.**
- This rebate does not apply to new construction.
- Completed applications must be submitted to KPUB along with all accompanying documentation no later than October 31, 2018.
- Limit one rebate per customer, property owner, or business with a maximum of \$500.00.
- KPUB reserves the right to inspect all windows to verify completion and efficiency ratings.
- KPUB reserves the right to change the program at any time.
