Press Release

KPUB Awards Scholarships

April 19, 2017

At its Regular Board Meeting on April 19, 2017, the Kerrville Public Utility Board (KPUB) awarded scholarships to two local area high school students, Kianna Dao and Bailey Dulas.

Kianna Dao has been accepted to The University of Texas at Austin and will major in Biology and Biomedical Engineering. Kianna is currently a senior at Tivy High School.

Bailey Dulas has been accepted to Texas A&M University where she will major in Chemical Engineering. Bailey is currently a senior at Comfort High School.

The KPUB Scholarship Program was established in 2012 to encourage local youth to work hard and follow their dreams. The scholarships are each \$1,000 per year renewable scholarships, which means a recipient may receive \$1,000 per year for up to four years.

Eligible candidates were evaluated on academic achievement, economic need, school activity, community involvement and a short essay.

Mayor Bonnie White commented, "There were so many excellent candidates. I was extremely impressed by the academic and extracurricular accomplishments of these students, and their many contributions to their community as well. It was a difficult decision, and I wish all of the candidates the best."

About KPUB

The Kerrville Public Utility Board was acquired by the City of Kerrville in 1987. KPUB serves approximately 21,000 customers throughout its 146 square mile service area including Kerrville, Center Point, Ingram, Hunt, and surrounding areas in Kerr County. KPUB is overseen by a five member Board of Trustees who serve without compensation and who are responsible to the City of Kerrville for the management and control of the system. KPUB is a responsive and efficient locally owned provider of reliable, high-quality utility service at the lowest responsible price.
