Energy Efficiency Rebate Application

Terms & Conditions

1. **Eligibility.** The rebate project must be completed for a KPUB account holder within the KPUB service area. Rebate will not exceed the cost of the project. Rebate maximums are per account.
2. **Project Timeline.** Applications and supporting documents must be filed within the year outlined on first page of the application.
3. **Application Submission:** Applications must be submitted one of two ways:
 - Email to: KPUBEngr@kpub.com or
 - Mail to: **KPUB Engineering, 2250 Memorial Blvd, Kerrville, TX 78028**
4. **Documentation.** Applications must be signed by account holder. **Missing documentation will delay processing.** Contractor’s invoice/purchase receipt must be provided and show model number and serial number of all equipment installed.
 - A complete application includes page 1 and 2 of this document along with any other pages from the application needed to apply for all eligible rebates
 - For Central Air, this includes condenser, coil, and furnace.
 - Central Air and Heat Pump rebates require an Air Conditioning, Heating & Refrigeration Institute (AHRI) certificate.
 - For insulation rebates, invoice must include square footage of work area.
 - For windows, copies of each windows specifications should be included that states area or window dimensions.
 - Please included photos of the installation for reference and to potentially serve in lieu of an on-site inspection.
5. **Inspection and Verification. Applications are subject to verification. If the verification cannot be completed, the rebate will not be paid.** All Applications are subject to an inspection by KPUB, either in person or via provided photographs. KPUB reserves the right to reduce or reject the rebate amount requested if the product installed was not done in accordance with these Terms and Conditions. KPUB reserves the right to reject any rebate application submitted as a result of work performed by a contractor who has failed to adhere to the terms and conditions established for the rebate program.
6. **Payment.** Once completed paperwork is submitted, rebate payments are usually made within 4-6 weeks. All rebates will be applied as a credit to your electric bill unless authorization is provided to pay a contractor or landlord. Incomplete applications will either delay payments or result in denial of application approval. KPUB reserves the right to refuse payment and participation if the account holder or contractor violates program terms and conditions.
7. **Program Discretion.** Rebates are available on a first-come, first-served basis. Rebate amounts and offerings are subject to change or termination without notice at the discretion of KPUB. THIS PROGRAM IS SUBJECT TO CHANGE OR CANCELLATION WITHOUT NOTICE.
8. **Disclaimers.** The Customer will defend, hold harmless, and release KPUB and its representatives from any and all claims, liabilities, fines, interest, costs, expenses, and damages (including attorney’s fees and court costs) incurred by the Customer or its contractors or any third party for any damage, injury, death, loss, or destruction of any kind to persons or property, to the extent the damage, injury, death, loss, or destruction arises out of or is related to the acts or omissions of KPUB or the company’s representatives to the rebate program. KPUB does not endorse any particular manufacturer, product, labor, or system design by offering these programs. KPUB DOES NOT EXPRESSLY OR IMPLICITLY WARRANT THE PERFORMANCE OF ANY EQUIPMENT OR ANY CONTRACTOR’S QUALITY OF WORK. NO WARRANTY OF ANY KIND, WHETHER STATUTORY, WRITTEN, ORAL, OR IMPLIED (INCLUDING WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY) WILL APPLY. (Contact your contractor or equipment supplier for any warranties.)
9. **Assignment.** Account holder shall not assign its rights or obligations under the rebate application or these Terms and Conditions, or any part thereof, without the prior written consent of KPUB. Further, account holder shall not assign, by power of attorney or otherwise, any of the money payable under the rebate application or these Terms and Conditions without the prior written consent of KPUB. KPUB acceptance of the rebate application constitutes prior written consent. If account holder does not obtain KPUB’s prior written consent, any purported assignment or delegation shall be null and void. The Terms and Conditions shall bind and inure to the account holder’s permitted successor or assignee.
10. **Availability.** Due to limited funding, this program can be withdrawn at any time without notice. Applications will be processed on a first-come, first-serve basis.

Customer Required Signature

Under penalty of perjury I certify that the above declaration is true and correct; and **I understand and acknowledge that the information is subject to audit and investigation by KPUB, and a site visit/audit for rebate eligibility may be required prior to payment of the rebate.** The site visit/audit is for record purposes only and does not guarantee the quality of the work performed. I have read and agree to the Program’s Terms and Conditions. I also understand and acknowledge that submission of this application does not guarantee qualification for a rebate. The program will end when funds are depleted.

REBATE SPECIFICATIONS & DOCUMENTATION: The minimum efficiency required to receive a central air conditioner rebate is 16 SEER (seasonal energy efficiency rating ratio). Rebates are tiered for equipment that has higher efficiency levels than the minimum. These rebates apply to home improvement or retrofit projects only. Must be a one for one replacement. They are not available for new construction projects. In order to qualify for rebates, all HVAC equipment must be installed by an HVAC contractor licensed within the State of Texas with the exception of Mini Splits. Model and Serial Number(s) for each inside and outside unit must be included on the invoice. **To qualify for rebates all units must be at least 16 SEER, 12.5 EER, 8.5 HSPF. Existing System information must be filled in completely to qualify for rebate, i.e. existing mfg., existing model existing serial number.** Applications must be complete and signed by Account Holder and include a copy of contractor's invoice and AHRI certificate. AHRI certificates may be found on <https://www.ahridirectory.org>. Size (tons) of system is determined by AHRI regardless of contractor's invoice size (tons).

*Rebate Maximum is \$900. Maximum excludes rebate paid to contractor.
