## **CONTINUOUS SERVICE AGREEMENT**

The Kerrville Public Utility Board (KPUB) Continuous Service Agreement (CSA) allows landlords and property managers the ability to have uninterrupted electric service between tenants.

**Customer Name #:** \_\_\_\_\_

**Social Security # or Federal Tax ID #:** \_\_\_\_\_

This Continuous Service Agreement (CSA) is entered into between the owners or managers (Customer) of an individually metered residential or commercial rental complex or property and the Kerrville Public Utility Board (KPUB). The agreement allows for continuous electric service to a rental unit.

**The CSA Customer agrees to be responsible for all electric service billing beginning with the disconnect date established by the existing run until connection by the new renter.** The account will be listed in the CSA's Customer's name and the service will remain connected until the new renter transfers the service into their name.

Your signature will be kept on file for future services. A transfer fee of \$10.00 will be billed for each AMI meter connected.

Non-AMI metered accounts will be charged \$48.00 (\$10.00 transfer fee plus a \$38.00 trip charge) during normal business hours or \$185.00 (\$10.00 transfer fee plus a \$175.00 after-hour trip charge) outside normal business hours and weekends.

If you do not wish to continue the electric service, upon request, a disconnect order will be issued. However, you will be billed for the electric usage from the time the original disconnect reading was taken in addition to the transfer fee.
